

# Northland Meningococcal W Vaccination Programme

**Three week FREE Meningococcal W community vaccination** campaign starts on **Wednesday 5 December** until **Friday 21 December**.

Being held in **selected high schools** and **community centres** across Northland for children aged from **9 months** to under **5 years** and those **aged 13** to under **20 years** on the day of vaccination.

**Whangarei** – 7 days a week

**Mid and Far North** – 6 days a week

**Kaipara Area** – Satellite clinics starting 10 Dec (TBC)

**Mon** – Fri 11am until 6pm

**Sat** – 11am until 4pm

**Sun** – **Whangarei only** - 11am until 2pm

If your child is aged **between 5** and **13 years** of age and are not eligible for the free community programme vaccination may be available at your general practice.

There will be a charge for the vaccine, please discuss this with your health professional.

**Remember**, visits to general practice are **free for children 13 years and under**.
